

# Educational Rerfurbishment

**Client:** Green Street Green Primary School  
**Location:** Orpington, Kent  
**Value:** £366,000  
**Duration:** 6 Weeks  
**Year:** 2017

In late 2016 TCL were approached by consultants Munday and Cramer to assist them in the preparation and submission of a 'Grant aided Funding' application to be put forward to the Education Authority for the purpose of replacing the existing windows and doors to a number of buildings at the school.

Following funding approval obtained in April 2017, TCL were commissioned to replace the existing steel windows, doors and curtain walling with a combination of new PVCU and Aluminium fenestration.

The project was delivered during the half term holiday period.

## Scope of Works:

- Installation of new PVC-U windows and doors
- Installation of aluminium powder coated curtain glazed walling
- Creation of new glazed screen linked corridors plus associated internal fitting out and decorations
